It's hard to believe that graduation for McNeil High School's Class of 2019 is **less than 90 days away!** Statistically, graduation night has one of the highest instances of DWI collisions and fatalities. This alarming statistic led to the creation of Project Graduation many years ago, now a proud tradition.

McNeil is proud to invite your 2019 graduate to Project Graduation; a safe, sober, and supervised all-night graduation party hosted by parents of the Class of 2019. McNeil grads will enjoy this private party at Main Event while being entertained by a hypnotist, consuming unlimited food & drinks, and enjoying all that Main Event has to offer. Raffle prizes will also be given away. Every grad will leave with great memories of their last high school party!

Project Graduation is a \$48,000 event which is totally self-supported. This incredible event is funded solely through fundraisers and sponsorships from parents and local businesses. Our board has been working since the beginning of the year and has quietly raised over \$24,000!

**Now we're asking for YOUR help to get us to the finish line!**  
**Our goal is to raise an additional \$24,000 by May 1, 2019.**
